# BOYS XC team

The boys' cross country team worked hard all season finishing 5th at Regionals. While they did not make it to the State meet, the team continued to work hard and improve all year long despite a host of injuries. Tough competition from our Region, which currently includes the top two teams in the State, has raised the bar high for the boys for next season. Congrats to the team for their hard work and commitment during a challenging year.

# GIRLS XC team

Underwood Stucky McCurdy CeBallos Millican Herweg

The girls cross country team had a very successful and injury-free season as they finished their regional meet in 3rd place and ended their year as the 3rd ranked team in the state. Their success stemmed from a disciplined, hard, and consistent team that continued to build throughout the year. Every member of the team pushed hard to their running abilities and the girls' support system helped to make a great season. Coach Davidson.

## Coach Armstrong's Quote

"I have been asked many times why do I want to coach girls basketball. Once in a while you are lucky enough to have the thrill and satisfaction of working with a group of young ladies who are willing to make every sacrifice to reach for their goals and then experience the achieving of some of them. In this, believe me, there is a payment that cannot be matched in the pursuit. This group of young ladies did just that. This team had excellent work habits, great enthusiasm, and always put the team first. This year was a fun year, not because of the team's success, but because of these young ladies attitude and their work ethic. With so many of these ladies returning next year I can't wait to get started again. Thanks for a great year ladies."

Born  
December 26, 1991  
His goal is to be a  
Doctor of Medicine

Brian was born a leader. You are above the crowd as they stand mystified, wondering if they should follow, and they do. You are amazingly convicted in your beliefs. No winter storm will blow down your home. You have chosen life and appeal to the heart of God. You know His truths and seek His guidance. Just recently you pulled a man off of his burning motorcycle without any regard for your own well being and helped save his life. You are brilliantly reliable. Brian, we are so proud of you in everything you do. You are our son, our brother, our friend, our hero and mostly our love. Mom, Dad, Brett, Erica, and Kevin

## Tyler Lenington

## Jessica

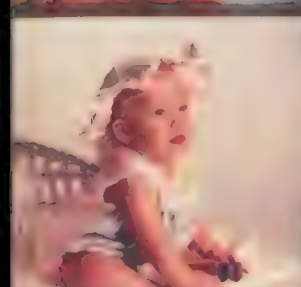

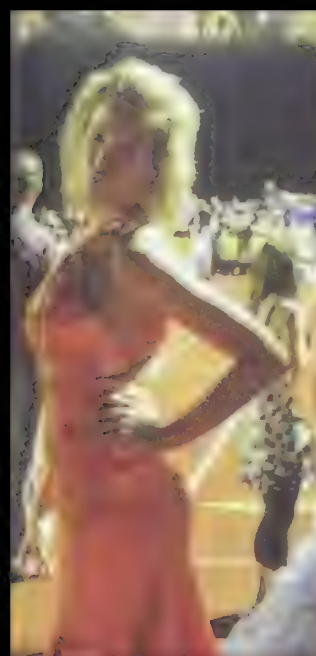

To Jessica, the beautiful  
One could never imagine  
That the years would pass so fast  
Seems like it was just yesterday  
You wore onesies in your jeans  
From crawling on the floor  
Time is moving now that you are grown,  
It's getting much harder to stay at home.  
The passing years have been full of laughter,  
Best we forget, the conversations at dinner  
All ways seemed to revolve around you.  
Happiness and joy are what you bring to this family,  
Along with your share of dirty laundry and dishes!  
Words and accolades are offered before you today  
To say that we are merely proud,  
Would be a tribute incomplete.  
May your life be as filled  
With an abundance of memories  
As your childhood has granted within our presence.  
Love, - Mom, the Original Hottie, Greg & Gabby

**Devore**

Where have the years gone? On December 20th, 1991 we were blessed with a fairy girl. Something we were not sure would ever fit you to us. You have been such a wonderful gift from God and we can not express the joy you have brought into our lives. We pray that you seek God first in all that you do. We want you to know how very much we love you and thank you for all the wonderful memories you have etched in our hearts that will last forever. As you start your next adventure known as life, our prayer for you is to dream big and may your sorrows be small. Remember: these High School years have been fun, but by NO means have they been the best days of your life. We can't wait to see what God has in store for you! As always, thank you for making our job of raising you so easy and full of joy. We LOVE you and you will ALWAYS be our little girl.

<3 MOM & DAD

**Lacey Danielle Howard.**

Collin - My Poofy Bear with those big brown eyes  
 Pickles and popcorn, staying up late to talk  
 Always and forever you are my strength - my rock  
 You are kind, caring and compassionate, a true Godsend  
 As everyone can see "You are my Best Friend"  
 Never afraid of challenges or to say what's on your mind  
 Keep believing in yourself and you'll be just fine  
 Never let anything get in your way  
 Just remember Mom is here when you've had a bad day  
 If I had one wish it would surely be  
 To give as much as you've given to me  
 I love you - Mom

Taylor <3  
 I'm so proud of all you have  
 accomplished! I look forward to
